(Key of G)

Verse 1

Sometimes I fall to my knees and pray
Come Jesus come let today be the day
Sometimes I feel like I'm gonna break
But I'm holding on
To a hope that won't fade

Chorus

Come Jesus Come
We've been waiting so long
For the day You return to heal every hurt
and right every wrong
We need you right now
Come and turn this around
Deep down i know this world isn't home
Come Jesus come

Verse 2

There'll be no war
And there'll be no chains
When Jesus comes let today be the day
He'll come for the week
And the strong just the same
All will believe in the power of His name

Verse 3

One day he'll come
And we'll stand face to face
Come and lay it all down
Cause it might be today
The time is right now
There's no need to wait
Your past will be washed
By rivers of grace
